

## “Take A Stand / Cease Fire”

### Training for Citizen Patrols in the Jordan Community of Minneapolis

Class will be held in collaboration with the Minneapolis Police.

Date: 2016 September 7 Wednesday  
Time: 6:30pm – 8:00pm  
Place: 1500 West Broadway Ave

Neighborhood citizens voiced their concerns at the well-attended Safety Council meeting of Jordan Area Community Council (JACC) on August 24<sup>th</sup>. Our neighborhood has seen:

- too many deaths,
- too many vigils, and
- too many memorials.

People there committed to taking a stand against violence and begin a campaign of community visibility through citizen patrols. Please join the training class on September 7<sup>th</sup>, so you may join the first citizen patrols beginning later in September.

You are invited to take action on your concerns about violence by getting involved in your local community. This training class and subsequent patrols are a useful way to change Jordan for the better, making our streets and sidewalks safe again for the neighborhood.
